Tachikawa No. 7 JHS

February 3rd 2017

From English Club

The first year students went skiing in Nagano from January 15th to 17th. We experienced skiing during the trip. The snow in Sugadaira was powder snow. It was so cold but the mountains were very beautiful.

For many of us, this is the first time to ski. Some students fell

down many times and were covered with snow.

On the last day, our skiing skill became better and we enjoyed skiing.

# Enjoyed skiing!

We stayed at Edel Hotel. The staffs of the hotel were nice. The meals were delicious. We enjoyed curry for our lunch, sukiyaki and steaks for our dinner.

On the first night, we enjoyed each class' performance. The ideas of all the classes were great, we really enjoyed the performances. On the second night, we waved our towels in front of the hotel to know how the wet towels freezes at once.

We bought apple pies and cookies for our souvenirs. We had a wonderful time and want to go there again. (Arihisa, Kaoru, Sachi, Kono, Mai, Ayaka, Satoshi, Koyo, Tsubasa, Ryo, Osuke )

# The day at work program

The second grade students had the day-at-work program from January 17<sup>th</sup> to 20<sup>th</sup>. We worked at the nursery schools, nursing homes, libraries, hotels, supermarkets, fire station and some other companies. Some of the students went to Matsunaka Kindergarten. They played with the children. They cut paper, and made some paper ogres. They enjoyed singing and dancing with them. It was fun. Some students went to the flower shop. The flower shop had many kinds of flowers. The work of the flower shop was very hard. But it was a lot of fun. We learned a lot. For example, working is a very important thing. We want to make use of this learning for the future. We also learned about our life. We had a good time for the past four days. (Kaede, Mihiro, Aina, Hono, Kaede, Runa, Aya, Raimu, Kotoha)
