February 4th

The first grade students had a skiing trip in *Sugadaira* from January 18th to 20th.

On the first day, skiing was very hard for the beginners. They tried very hard but many students fell down many times.

On the second day, they got better and enjoyed skiing on the top of the mountain.

On the last day, they wanted to stay longer because they liked skiing very much. (Thiemy)

SKIING TRIP

The three days that we spent were so awesome and cool. It was one of the best memories. Each class enjoyed an activity on the bus. Class 3 played bingo and listened to music, it was J-pop. Class 4 did a quiz and a talking game and so did class 2, class 1 was the most interesting because they played a guessing game and danced. The bus ride was super fun.

The hotel that we went to was great. They had good food and nice beds. The only thing was that we worked hard, but the experience was great. We had fun and enjoyed it. (Thiemy)

Work Experience Program

The second grade students had a work experience program from January 21st to 23rd. They went to each work place and did various things. They learned the importance of work and various things including the pleasure of working there.

I worked at a place for handicapped people. I started work with fear and uneasiness, but I enjoyed talking with the residents. In addition, I got to know the feelings of a person with a disability. When I left the place, one of the residents shed tears and I cried too. It was a really valuable time. I want to reflect on having learned about working life.

(Ririna)

Valentine's Day

In Japan girls give chocolates to boys, but in the U.S.A girls and boys give chocolates to each other. In Taiwan on Valentine's Day, boys give chocolates to girls.

Cultures are different in different countries.

It's interesting.

I'm going to make cookies this year.

(Yuka)

The editor's postscript

Did you enjoy this newsletter?

There were a lot of events like skiing, and work experinece.

Did you have fun?

Good luck on your final exams.

Let's enjoy and look forward to the new school year! (Risa)
