Snow White

On December 7th we performed "Snow White" in the English entertainment for Tokyo Metropolitan at Chitoseashi Junior High School.

We didn't win but we had a very good time.

Our ALT wrote the script for us. We practiced hard, and we learned a lot. We grew up and became more confident in our actions. We needed some stuff and three second grade students helped us as a staff. Thanks to many people we gave a good performance.

The other schools were also wonderful. We were impressed by the performances that they did. If we

have a chance next year, we'd like to make it a more wonderful play.

As well as doing a play, we'd like to challenge ourselves with various things. There are many challenges for us next year! Bring it on!

UNICEF

Many children need help!

Have you ever joined a volunteer activity? The student council will have UNICEF fund-raising activity. Every year many students join UNICEF fund-raising activity. Last year they collected over 1,000,000 yen.

This year students will stand at Tokyo station on December 23rd and Tachikawa station on December 26th to collect money.

The money can help many children who are suffering around the world.

Why don't you join us? If you did it before, why not do it again?
