## Sports Day Power and Friendship

The slogan this year was “To show our power and to strengthen the bonds of friendship.” The groups were white, blue, red and green. They worked very hard and did their best. At the end of the day, many students cried.

There were many people who came to cheer on the students. They all had a great time and they made a lasting memory.

The third-grade students did especially well!

All the students worked hard. The third-grade students did especially well. They enjoyed Jumping Rope very much. About 35 members jumped together. They had to cooperate with each other. The white team jumped 52 times and won the game. The jumping rope event was special because it was the last Sports Day for the 3<sup>rd</sup> year students. They did their best. It will be the best memory from junior high school.

## The new student council

A new student council was selected on October 1<sup>st</sup>. Each candidate gave a speech on September 30<sup>th</sup> and then the students voted.

The students elected were Mayo Seki, Ayaka Takahara, Komugi Furukawa, Ririna Yamadate, Kotone Kurishiba and Nami Ogura.

We hope the new students council will do well and support the school.
