Mr. Morita

Mr. Sugimoto

Ms. Sato

Farewell Ceremony

A farewell ceremony was held on April 19th. Some nice teachers left our school. Mr. Noboru Morita, Mr. Yoshihisa Sugimoto and Ms. Etsuko Sato were liked by all the students and they were important to us.

Mr. Morita taught us PE. He was sometimes strict and we were scolded many times. But thanks to him, we grew up. He always loved us. We knew he loved us even we were scolded by him. He has a sense of humor, so we always enjoyed his jokes.

Mr. Sugimoto taught us Industrial arts. His lesson was easy to understand and interesting. His voice was soft as well as his expressions. He was a judoist and in charge of the judo club.

Ms. Sato taught us a lot of things. Not only Japanese but also about kanji, entrance examinations, animals and so on. Her stories were always interesting.

We appreciate what they have done for us. We will miss them.
