Chorus Contest

We had a chorus contest at Akishima Civic Center on October 31st. The level of the chorus contest of this year was very high. Some of the audience were impressed and they cried. We did our best. I thought that all the classes were good. Let's make the chorus contest successful next year too.

Teachers sang a song with the third graders. Ms Shimizu and Ms Miyaki did disguise of the Halloween. We were surprised by their costumes. The first graders and the second grader were impressed by the harmonious chorus!!

Let's Make A Christmas Card

Have you ever made a Christmas Card? Christmas can be enjoyed more by making a Christmas Card and a letter can also be sent to Mr. Santa. If a letter is sent to Sweden or Canada, it will be returned with a stamp from that country. I think that it

will come you by Christmas if you send it soon and by airmail.

Please send a letter!!

Student Council Assembly

At the student general meeting on October 25th, each chairperson of the students' committee made a speech about their yearly plan. There was a Q and A session. The assembly was enjoyable.
