Chorus Contest

October 31st, we had a chorus contest at Akishima citizens hall.

Every class sang the same first song. The second song was their own choice. Then, do you think you sang your best? If everyone answers "Yes," we are happy!

Let's take advantage of this team spirit we got during the chorus contest.

How about sending a letter to Santa Claus?

Now, we are writing letters to Santa Claus. Santa Claus is in Sweden, Canada or The North Pole, Greenland. Of course, not only English club's member can send letters to Santa Claus.

If you want to send a letter, please ask Ms Taniguchi about it. But, hurry up, or the letter will not reach Santa by Christmas!
